Bridgewater Township Recreation Department presents

MADE

Making A Difference Everywhere

MADE was developed as an organization to provide volunteering opportunities to teens over the Bridgewater-Raritan area. With school, extra-curricular activities, and teens in mind, MADE always schedules events that are after school and local. We continue to make it easy for teens to access volunteering opportunities around their area in order to receive their community service hours for schools, scholarships, and religious groups. By promoting volunteerism, numerous organizations will be benefited by the extra help and in the end, hopefully achieve MADE's main goal: "To Make A Difference Everywhere." Along with the other helpful services MADE provides, our website contains members' up-to-date community service hours within the click of a button. Some of the events that MADE partakes in includes working with the elderly, the homeless, disabled/handicapped children/adults, animals, the earth and other major organizations dedicated to helping others. We have a list of events on our calendar in which one can pick and choose the best event for them! At meetings, our members can sign up for their event and will receive a confirmation email in a few short days reminding them of their event's time and date. When a member joins, they will receive an ID Number. That number will show up on MADE's website with the number of community service hours that member has served. Join today, and gain the power to change the world- WHO YOU ARE MAKES A DIFFERENCE!

All meetings are mandatory and held at the Bridgewater Raritan HS

Meeting Dates; Wednesdays, October 7, November 4, December 2, 2009, January 6, February 3, March 3, April 7, May 5, June 2, 2010
