FOR IMMEDIATE RELEASE

Exit-Only Lane at Chimney Rock Road & Route 22 East

BRIDGEWATER – On Friday morning, Aug. 8, Route 22 Eastbound traffic turning right onto Chimney Rock Road Southbound will be placed onto a temporary exit-only, right-turn lane for approximately two months. A message board will provide advance notice of the new configuration.

Construction is currently being performed for the proposed Route 22 Eastbound express and local roadways, roadway and bridge widening along Chimney Rock Road between Route 22 Eastbound and Union Avenue, and various overhead and underground utility relocations.

All local businesses along Chimney Rock Road and Route 22 Eastbound are fully accessible to the travelling public during construction.
