

## **ROAD CLOSURE INFORMATION**

1. Construction on Gregory Avenue between Country Club and Milcrip Roads will begin on or around Monday, October 27, 2014 for drainage improvements, road base repairs, and resurfacing of the pavement. Through traffic will be detoured during working hours and potentially overnight briefly. Access to homes fronting on Gregory Avenue will be maintained but parking at alternate locations may be necessary for brief periods during the road base repairs.
2. Construction on the first 500 feet of Juniper Lane by Country Club Road will begin on or around Monday, October 27, 2014 for drainage improvements, road base repairs, and resurfacing of the pavement. The gate between Juniper West and Juniper East shall temporarily be opened to accommodate resident access to their homes. Access to homes within the work zone of Juniper Lane will be maintained but parking at alternate locations may be necessary for brief periods during the road base repairs.
3. Construction on Quarry Lane between Washington Valley Road and Bartle Lane will begin on Monday, October 6, 2014 for drainage improvements, road widening, road base repairs, and resurfacing of the pavement. Resident access will be maintained throughout construction however this access may be limited for brief periods during base repairs.
