

Mayor Hayes is proud to announce on behalf of the Bridgewater/Raritan Municipal Youth Services Commission, the award of \$2,000 from the Somerset County Board of Chosen Freeholders for the Big Top Bridgewater Program. This recreation program provides an incredible opportunity for participants to be trained in the field of circus-arts in a non-competitive and least restrictive environment. Participants of all abilities, in grades 5 through 8, will be offered activities such as acrobatics, juggling, magic and tumbling. The program culminates with a voluntary performance for participants to demonstrate their newly learned talents on their final session.
