

MAYOR HAYES ISSUES RELAY FOR LIFE PROCLAMATION

On Tuesday, April 14, 2015 Mayor Hayes presented a proclamation designating May 15 and May 16 of 2015 as the Relay for Life Days in the Township of Bridgewater. On Friday, May 15th Bridgewater Township will have the opportunity to join the American Cancer Society by participating in **Relay For Life of Bridgewater at Duke Island Park**. This inspiring event unites the entire community in celebrating those who have battled cancer, remembering loved ones lost, and providing an opportunity to fight back against the disease! Relay For Life supports the Society's mission to save lives by helping people stay well, by helping people get well, by finding cures and by fighting back.

Relay For Life is a Relay-style event where teams of sports teams, friends, family or schools are formed and come out for either the whole event or part of the event and take turns walking the track to represent the fact that "cancer never sleeps". Families and teams are welcome to bring tents and chairs and set up a camp site. In addition to walking the track, Relay For Life provides entertainment and activities including live music, themed laps and performances – fun for the whole family!

To register for this event, please visit www.relayforlife.org/BridgewaterNJ. For more information or questions, contact Brandie Engelberger at 973.285.8029 or brandie.engelberger@cancer.org
