

News from JCP&L to Bridgewater Residents

An aerial patrol will be is scheduled to occur on Monday May 4th by Haverfield Co. to conduct JCP&L's Spring Transmission Aerial Patrol. It will take approximately two weeks to complete, weather permitting.

A helicopter will be flying slowly (20-30 mph) along the lines, and may hover at any time for a closer inspection. The helicopter for these patrols is a black MD500 with red letters and a registration number N8330P located on the tail.

The pilot will be in communication with any local airports when in their airspace.

JCP&L will also conduct a spring utility pole inspection on Routes 202 and 206, as well as on Somerville Road. The pole inspection being conducted through Osrose Utility Services Inc. will begin in May and end in July.
