Through traffic will be detoured during working hours and potentially overnight briefly. Access to homes fronting on Van Holten Road will be maintained but parking at alternate locations may be necessary for brief periods during the road base repairs.

5. CHIMNEY ROCK ROAD OVERNIGHT CLOSURES PLANNED

Chimney Rock Road between Route 22 Eastbound Local and Route 28 (Union Avenue) in Bridgewater will be closed to thru traffic overnight on Thursday, Friday and Monday – May 7, 8 and 11 – from 6 p.m. to 6 a.m.

This will allow the contractor to perform steel girder erection for the bridge widening over Interstate 287 and roadway widening construction on Chimney Rock Road between Route 22 Eastbound Local and Easy Street.

Chimney Rock Road will be closed at both approaches to the bridge; however, access to all of the businesses along the road on both sides of the bridge will be available at all times.

Temporary detour signage and a Bridgewater police traffic director will provide traffic-control assistance.

6. PROMENADE BOULEVARD, (CR 685) INCLUDING EAST MAIN STREET SIDEWALKS

Safety improvements to traffic lanes and pedestrian sidewalks will be underway during the spring of 2015. Construction operations are to run from March to June 2015 with traffic maintained through the work zone areas on two lanes of the 4 lane roadway.

Work is to begin on March 9, 2015 on East Main Street across from TD Bank Ballpark for the construction of sidewalks. Later in March work will proceed onto Promenade Blvd. with construction work to the median islands and sidewalks. Daytime work hours are 7 am to 4 pm. Milling and paving of the roadway will occur in May utilizing over-night work hours of 9 pm to 6 am.
