

**NOTICE OF TREE TRIMMING AND REMOVAL, BRUSH MOWING & HERBICIDE**

Township of Bridgewater

Date 6/5/15

Van Holten Road  
Bridgewater Twp -

Block: 418 Lot: 7

Dear Property Owner,

Public Service Electric and Gas Company (PSE&G) owns the high voltage electric transmission right-of-way located on your property. The electric transmission lines on this right-of-way are essential for PSE&G to meet its commitment to provide safe, adequate and reliable electric utility service to you and to other consumers throughout New Jersey. Maintaining proper tree clearance from the power lines is absolutely necessary to assure:

- The continued safety of homeowners living near the transmission power lines,
- The safety of PSE&G employees and contractors working on the power lines, and
- The reliability of the electric utility system.

The overgrown vegetation on the PSE&G Right-of-Way, now requires maintenance of the right-of-way. As such, Tuff Greens LLC., a private contractor working for PSE&G, will be removing trees, mowing brush and herbiciding brush and woody vegetation on PSE&G's Right of Way.

**This work will begin; weather permitting, on or about 6/15/15.**

If you have any questions or concerns, please telephone: George Smitte, Tuff Greens, and LLC, at-1-973-983-0640 or email: [georgesmittejr@tuffgreens.com](mailto:georgesmittejr@tuffgreens.com) or [georgesmitte@tuffgreens.com](mailto:georgesmitte@tuffgreens.com).

Or, you may contact Supervisor Vegetation Management – Rich Arnold 732-374-6438.

Thank you,

Brian K. Hartel  
Manager Vegetation Management
