VIRTUAL DEMENTIA TOUR®

YOUR WINDOW INTO THEIR WORLD

Take the Virtual Dementia Tour®:

Saturday, September 26, 2015

at

Bridgeway Care Center

270 Route 28

Bridgewater, NJ 08807

The Virtual Dementia Tour® was designed as a sensitivity training tool for professional and family caregivers to understand the impact of dementia on behavior and emotional status. Using an immersion technique, participants experience simulated facets of dementia and are able to examine realization of their own dementia-like behaviors which increases the likelihood of a deeper connection to the person with dementia. Each guest will experience the tour plus meet with a facilitator to hear specific feedback.

**Tour appointments are available from 12:00 noon to 3:45 pm.
Spaces are limited--Call 908-722-7022 to reserve your appointment today.**

Refreshments will be served & Bridgeway staff will be available to answer questions.
