

## **BCAC INVITES ALL NEXT TUESDAY TO TALENT IN THE TOWN!**

The BCAC (Bridgewater Creative Arts Committee) invites all to our Talent in the Town exhibit and reception in "The Halls". Next Tuesday, October 20th from 6-8 pm at our Township Municipal Building.

We are excited to welcome back Maggiano's and their free tasty treats, and new this year, the BCAC will be creating a free art project for kids, that will become a collaborative art installation in the building, as well as a take home. Of course the main attraction, the halls of the Bridgewater Municipal Building will be filled to maximum capacity with over 60 pieces of art, all created by Bridgewater Residents! So please join us for this wonderful event, next Tuesday.

Follow us on FB and Twitter for events, exhibit opportunities and much more!

Warmly,  
Stephanie Moench
