

WEEKEND STORM CAUTION

BRIDGEWATER TOWNSHIP, OFFICE OF THE MAYOR, JULY 28TH, 2016

As the summer weather intensifies please take every precaution during thunderstorm events to find shelter and remain safe. The most recent spate of storms took down trees and power lines and caused localized flooding in several parts of the Township. The next line of storms due to pass through our area Friday, Saturday and Sunday could cause additional damage by bringing down trees weakened by the previous storm. If a tree falls and is blocking the road way please call it in to the police department immediately. If you lose power please contact the utility company servicing your area through the links below. In the event of an emergency immediately call 911.

JCP&L CUSTOMERS:

- Text OUT to 544487
- Online at www.jcp-l.com
- Facebook (<http://statictab.com/h8vmadi> from a mobile device)
- Call 888-LIGHTSS (888-544-4877)

PSE&G CUSTOMERS:

- [Click here to report an outage online](#)
- Call 1-800-436-PSEG (7734)

BRIDGEWATER POLICE DEPARTMENT

- 908-722-4111 (NON-EMERGENCY ONLY)
- In the event of an emergency immediately call 911.

Steer clear of downed power lines. Always assume they are live and dangerous.
