

2016 Somerset County
Annual 4-H Fair
North Branch Park

August 10-12th

On Thursday, August 11th, I attended the Somerset County Annual 4-H Fair at North Branch Park. Hopefully, you had an opportunity to attend and experience the fair firsthand. This fair recognizes the accomplishments of 1,000 Somerset County 4-H members and is a showcase for visitors to see a wide variety of 4-H projects in action. The fair is sponsored by the Somerset County 4-H Association and the Board of Chosen Freeholders in support of the 4-H Youth Development Program of Rutgers Cooperative Extension. 4-H Members, volunteer Fair Managers, 4-H Club Leaders, and parents work together, making this the largest event in Somerset County.

I am proud that Bridgewater is the host for the event and grateful to all in our community who contributed to its success, including our own police department, fire companies, rescue squads, and elected officials.

Remember to mark your calendars and join us next year for this great community event and free family fun!
