

ROAD CLOSURE INFORMATION

1. Construction on Birdsall Lane will begin on Monday, October 17, 2016 for drainage improvements, road base repairs, and resurfacing of the pavement. Through traffic will be allowed during working hours with partial lane closures in effect.
2. Construction on Strawbridge Road will begin on Wednesday, October 13, 2016 for Handicap ramp and sidewalk replacement, drainage improvements, road base repairs, and resurfacing of the pavement. Through traffic will be detoured during working hours and potentially overnight briefly. Access to homes fronting on Strawbridge Road will be maintained but parking at alternate locations may be necessary for brief periods during the road base repairs.
3. Construction on Church Road between the North Branch Reformed Church parking lot and Meadow Road will begin on Monday, October 17, 2016 for drainage improvements, road base repairs, and resurfacing of the pavement. Through traffic will be detoured during working hours and potentially overnight briefly. Access to homes fronting on Church Road will be maintained but parking at alternate locations may be necessary for brief periods during the road base repairs.
