

ROAD CLOSURE INFORMATION

- 1- Construction for Brown Road will begin on or around Monday, June 26, 2017 for Handicap ramp and sidewalk replacement, drainage improvements, road base repairs, and resurfacing of the pavement. Through traffic will be detoured during working hours and potentially overnight briefly. Access to homes fronting within the roadway improvement zone will be maintained but parking at alternate locations may be necessary for brief periods during the road base repairs.
- 2- Brown Road will be closed to through traffic between Route 202/206 and Cambridge Lane for paving on Friday, July 28, 2017 weather permitting. Paving will begin at Route 202/206 and progress toward Cambridge Lane. Early traffic should enter and exit from the Washington Valley end and late day traffic should enter and exit from the Route 202/206 end.
