

ROAD CLOSURE INFORMATION

- 1- Construction on Hunter Road will begin on or around Monday, September 11, 2017 for drainage improvements, road base repairs, and resurfacing of the pavement. Through traffic will be detoured during working hours and potentially overnight briefly. Access to homes fronting within the roadway improvement zone will be maintained but parking at alternate locations may be necessary for brief periods during the road base repairs.
- 2- Construction on Drum Hill Road will begin on or around Monday, October 2, 2017 for Handicap ramp and select sidewalk replacement, curb repairs, drainage improvements, road base repairs, and resurfacing of the pavement. The roadway will remain open for local traffic only with partial lane closures in effect. Access to homes fronting within the roadway improvement zone will be maintained but parking at alternate locations may be necessary for brief periods during the road base and curb repairs.
