

**Dear Residents:**

**Despite our best efforts to promote the Bridgewater Park & Ride program, Coach USA has decided to discontinue service from Park & Ride location to NYC. We will look for another carrier to utilize this site.**

**Coach USA has discontinued the sale of 10 trip, 20 trip, and monthly passes so people do not purchase for April. This will give those individuals time to make other travel arrangements and allow them to use up any tickets they have already purchased. The last day of service will be Friday April 6th.**
