## **BRIDGEWATER SPRING RABIES VACCINATION PROGRAM**

The Bridgewater Township Division of Health strongly urges all residents to maintain rabies vaccinations for their dogs and cats. Rabies in wildlife continues to be a public health concern in New Jersey and our community. The best defense against rabies is to assure that vaccinations are current for all domestic animals. Proof of current rabies vaccination is also necessary to license all dogs and cats.

The Division of Health has scheduled a Spring Rabies Vaccination Clinic for dogs and cats. The clinics will be held in three locations.

**Saturday - May 12**  
**Bradley Gardens Firehouse**  
**24 Old York Road**

**Dogs Only 9AM to 10AM**  
**Cats Only 10AM to 11AM**

**Saturday - May 19**  
**Green Knoll Firehouse**  
**North Bridge Street and**  
**Foothill**

**Dogs Only 9AM to 10AM**  
**Cats Only 10AM to 11AM**

**Tuesday - May 22**  
**Martinsville Firehouse**  
**Mt. Horeb Road and Washington Valley Road**

**Dogs Only 6PM to 7PM**  
**Cats Only 7PM to 8PM**

All dogs brought to the clinic must be securely leashed or in a carrier. All cats must be brought to the clinic in a secure box or carrier. All pets must be accompanied by an adult. Current license information at the time of the clinic is not necessary, but will serve to expedite the vaccination process. All rabies vaccinations at the clinic are provided free of charge.
