

Bridgewater Residents:

Be advised that on or about June 1, 2018 NJDOT will begin making improvements on Route 206 southbound in the vicinity of the I-287 southbound ramp. Work will be concentrated between the Garretson Road and Commons Way overpasses, which will require temporary traffic patterns and intermittent detours. The contractor is expected to work 7:00AM to 3:30 PM weekdays for a duration of 6 months.
