BRIDGEWATER SPRING RABIES VACCINATION PROGRAM

The Bridgewater Township Department of Health strongly urges all residents to maintain rabies vaccinations for their dogs and cats. Rabies in wildlife continues to be a public health concern in New Jersey and our community. The best defense against rabies is to assure that vaccinations are current for all domestic animals. Proof of current rabies vaccination is also necessary to license all dogs and cats.

The Department of Health has scheduled a Spring Rabies Vaccination Clinic for dogs and cats as follows:

Saturday, May 11
Bradley Gardens Firehouse
24 Old York Road

Dogs Only 9AM to 10AM
Cats Only 10AM to 11AM

Saturday, May 18
Green Knoll Firehouse
North Bridge Street &
Foothill Road

Dogs Only 9AM to 10AM
Cats Only 9AM To 10AM

Tuesday, May 21
Martinsville Firehouse
Mt. Horeb Road &
Washington Valley Road

Dogs Only 6PM to 7PM
Cats Only 7PM to 8PM

Current license information at the time of the clinic is not necessary, but will serve to expedite the vaccination process. All rabies vaccinations at the clinic are provided free of charge.

All dogs brought to the clinic must be securely leashed and accompanied by an adult. All cats must be brought in a secure box or carrier.
