

## **Bridgewater Recreation Department**

Welcome to the Bridgewater Recreation Department! We encourage everyone to participate in our programs. If you or your child has an individualized need due to a disability and may require a reasonable accommodation, in accordance with the Americans with Disabilities Act, to successfully participate, please note it on the registration form. The Recreation Staff, in conjunction with the Staff at the Somerset County Park Commission Therapeutic Recreation Department, will contact you for additional information. Three (3) weeks notice is needed (six (6) weeks for Summer Playgrounds and Pee Wee Playgrounds) to ensure that appropriate accommodations can be provided.

Bridgewater Township, located at the crossroads of Somerset County, offers its residents many unique and exciting recreation programs for all ages to enjoy.

The primary service of the Bridgewater Recreation Department is to provide opportunities for enriching the lives and meeting the recreational needs of Bridgewater Residents.

The Recreation Department seeks to promote a spirit of cooperation, build self-esteem, encourage healthy competition and develop lifelong recreational interests among all program participants.
