On motion of Councilman Norgalis, seconded by Councilman Pedroso, the June 15, 2020 regular session minutes were moved for approval and passed unanimously on a voice call vote.

**Council Reports**

Councilman Ring

- The animal shelter had a virtual reorganization meeting. Willem Rijksen was nominated the chair person for the remainder of 2020.
- Attended the Middlebrook encampment where they read the Declaration

of independence and Mayor Moench was a speaker.

Councilman Kurdyla:

- Councilman Kurdyla stated that at the last meeting he had reported concerning getting the open space committee together to review a parcel. The property owner has since withdrawn their interest in offering this property for Open Space.
- Councilman Kurdyla reported on the loss of Howard Bixler of the Martinsville Rescue Squad noting his passing is a tremendous loss as Howard probably served the township for a period longer than 50-years.

Councilman Kirsh:

- Councilman Kirsh reported that tomorrow, July 7, 2020 is the Primary Election Day in New Jersey. This will be a primarily vote by mail election. He noted that Bridgewater has a drop box at the municipal building parking lot, right outside the police building for residents to drop off their ballots. He added there are five (5) voting locations in Bridgewater that are open for provisional voting only.
- The Board of Education has a new Board member, Jean Lee, who was sworn in through the end of 2020. In November, there will be an election for two (2) seats.
- Beginning July 1, 2020, the Bridgewater-Raritan Regional School District has a new interim superintendent, Dr. Thomas Ficarra.
- There was a virtual graduation held on June 20<sup>th</sup> for the Bridgewater High School graduates. There is hope for an in person graduation in mid-July.
- The State aid for the Board of Education Budget was reduced by approximately 800K. The Board is currently working out ways to fill the budget gap.
- The Planning Board has met virtually and plans to continue public meetings.
- The Zoning Board is equally busy from being less active in past months due to the pandemic.
- Councilman Kirsh offered that his thoughts and prayers are with those affected by the pandemic.

Council Vice-President Pedroso:

- Councilman Pedroso stated that the Middlebrook encampment is a special place noting it was here that the first official flag of the United States was adopted by congress in 1777.

Council President Norgalis:

- Bridgewater Township and the EMS community suffered a major loss with the passing of Howard Bixler a very long time participant of the Martinsville Rescue Squad. Howard was a revered member having served in almost every capacity on that squad.
- The Somerset County -Bridgewater recycle contract wording which was tabled at the last Council meeting is unresolved. Director Madrid advised Clerk Linda Doyle that the County has not yet to respond to her correspondence about rewording the contract prior to Council action.
- The issue of house and yard condition at 822 Hawthorne is being worked on. The yard has been cleaned up to the satisfaction of the Bridgewater code department but the physical condition of the house is still an issue. Council President Norgalis will put that issue on the Council agenda for the July 20<sup>th</sup> meeting.
- He has received numerous lengthy form letters from Bridgewater residents urging that the Council take no action to require the use of face masks as a protective device to fight COVID 19. In all cases Council President Norgalis responded that we would be following the governor's directives.
- Received a long and thoughtful email from John Hedin a resident who has spent years supporting various township efforts including being one of our two Commissioners to the Sewerage Authority. During an hour long phone call with John they discussed his various suggestions, the majority of which have already been incorporated by Mayor Moench in the 2020 budget effort. They include talking with the Board of Education, freeze hiring, limit capital expenditures, prioritize projects and most importantly COMMUNICATE.
- Council President Norgalis continues to participate in discussions with the township legal representatives and the Special Planner hired by the township to assist in the creation of the Redevelopment Agreement for the Center of Excellence.
- Tomorrow is Primary Day so residents need to be aware that are numerous changes in polling location and process for this year.

- Participated in a Board meeting for the Centerbridge I Senior Citizen Complex moderated by Former Freeholder Patrick Scaglione. The staff continues to work on procedures to protect our residents in both Centerbridge I and Centerbridge II.

## Mayor's Reports

### Mayor Matthew C. Moench

- Had the opportunity to speak briefly at the Middlebrook encampment event. Mayor Enderko from Manville read the declaration of independence and Mayor Fazen was the MC for the event. Mayor Moench stated he was honored to work with Mayor Enderko and Mayor Fazen, both of whom are tremendous advocates for veterans and are probably two of the most patriotic mayors that we have in Somerset County.
- Participated in an honorary street dedication for Frank DeVita who is a D-Day Veteran and was a coast guard serving on the boats that transported troops to Omaha beach. He was also in several other landings during World War II.
- Administration is in the process of finalizing the veterans committee and hopefully will have appointments for the Council to consider at the next meeting. Administration hopes to improve what we do for our veterans and to engage them in our community.
- Congratulated the Bridgewater high school graduates and hoped they can have an in-person graduation in the near future.
- Welcomed Dr. Thomas Ficarra who is the new interim superintendent of Bridgewater-Raritan Regional School District and wished the former superintendent, Dr. Russell Lazovick best wishes in his new role. Mayor Moench stated he will soon be meeting with Dr. Ficarra as he hoped to continue relationship building between the Township and the School District.
- Administration will be releasing a video to the public to explain the road assessment plan that the Council approved at the last meeting. Administration will also be doing a lot more to keep the residents advised on the status of road projects as they go forward. The Office of Constituent Relations has put together a chart that will show every time a road project moves from one process to another.
- The Township is hosting a blood drive on Wednesday, July 8<sup>th</sup> at the senior center. Within hours of announcing the blood drive, all

appointments were filled. For this reason, administration hopes to continue these drives as it goes to show our residents are committed to helping those in our community with health related needs.

- All township playgrounds are now open with the exception of Kid Street which will likely be opened this week. Given that Kid Street is a real attraction for out-of-residents to come to, administration wanted to open our local playgrounds first in order to assess the number of usage we were getting and to ensure we can effectively control and evaluate usage.
- There is a budget video that has been released to help our residents understand highlights of the 2020 municipal budget.
- The Governor was to open indoor dining then recanted which hurt businesses. “Mayors for Main Street” of which Bridgewater is a participant expressed its disappointment. They continue to advocate for the responsible reopening of the economy.

## **NAMING OF PARK**

### **RECOGNIZING THE HISTORIC CONTRIBUTIONS OF DAVID AND PHILIP MILLER TO THE HOBBS TOWN COMMUNITY AND TO BRIDGEWATER TOWNSHIP, AND DESIGNATING THE MONMOUTH AVENUE RECREATION FIELD “DAVID AND PHILIP MILLER PARK.”**

Mayor Moench stated this year was supposed to be a celebration of the reopening of Hobbs town. A celebration had been planned by the Hobbs family for well over a year but were not able to continue as hoped due to COVID-19. Last year, we officially designated the area of Hobbs town as an official place. The park in that area however continued to be represented as the Monmouth avenue recreation field. The Hobbs family contacted administration asking that the name of the park be designated as “David and Phillip Miller Park” in order to honor their contribution to Bridgewater Township and to the community.

Reverend Hobbs stated the family is grateful for the opportunity to rename the Park because David and Phillip Miller have been pillars of the community.

Chris Miller stated David Miller is his father and Phillip Miller is his uncle. He expressed he was thankful to the Mayor and Council for allowing them to designate this park in honor of David and Phillip Miller who were a pillar to their family and community and will be a great memorial not only for this generation but also for future generations to look up to.

There was a five (5) minute recess to allow the public additional time to submit public comment via the link/portal provided.

It was noted that the break in the meeting is to allow for public comment and to provide additional opportunity for “public hearing” input on the ordinance listed below (agenda item 10).

Public

Ordinances

**ORDINANCE TO EXCEED THE MUNICIPAL BUDGET APPROPRIATION LIMITS AND TO ESTABLISH A CAP BANK FOR THE 2020 CALENDAR YEAR (N.J.S.A. 40A: 4-45.14)**

Mayor Moench explained this is a State requirement for municipal budgeting. It does not indicate that we are exceeding the budget neither is it reflective of the final budget.

On motion of Councilman Ring, seconded by Councilman Kirsh, the foregoing Ordinance was proposed. The vote was as follows:

Councilman Kirsh	Aye
Councilman Kurdyla	Aye
Councilman Ring	Aye
Council Vice President Pedroso	Aye

Mayor Moench stated that under NJ Law, municipalities are allowed to borrow for special emergencies, one of which is employee severance. The Township has to make pay-outs to employees when they leave. Normally, we would fund this in the normal course of the budget but due to the drop in revenue associated with COVID-19, we do not have the capacity to do that this year. This Ordinance will allow us to spread that payment out over five years.

On question of Councilman Pedroso, Mayor Moench explained that the township will likely get FEMA monies to help but not for this budget.

On motion of Councilman Ring, seconded by Councilman Kirsh, the foregoing Ordinance was proposed. The vote was as follows:

**AN ORDINANCE AMENDING CHAPTER 94-2 ENTITLED “SCHEDULE OF FEES” TO ADD A NEW SUBSECTION (O) ESTABLISHING A ZONING PERMIT FEE SCHEDULE**

Mayor Moench explained this Ordinance updates our zoning fee schedule and allows us to recover our cost by extending that cost to the developer/user.

Councilman Ring and Councilman Pedroso offered these are costs that we incur and instead of the residents bearing the burden, it is fair that the cost is passed on directly to the users.

On motion of Councilman Kirsh, seconded by Councilman Norgalis, the foregoing Ordinance was proposed. The vote was as follows:

Councilman Kirsh	Aye
Councilman Kurdyla	Nay

Mayor Moench explained the agreement is as a result of numerous negotiations with the PBA. This settlement recognizes the value of our police officers while being cognizant of the taxpayers who pay their salaries. He added the PBA has deferred any pay increases this year which gives us a lot of flexibility with the budget.

Councilman Kirsh expressed he will support this as it appropriately compensates our police officers while taking into account the hardships we are facing with the budget.

Councilman Pedroso thanked the police department for the excellent and professional service they provide the residents of Bridgewater Township.
