WILL I BE RECEIVING A SAMPLE BALLOT?

No. You will only receive a Vote by Mail ballot which you will use to cast your vote.

CAN I VOTE AT THE POLLS?

You may vote only by paper Provisional Ballots at the polls. Voting by Provisional Ballot is like voting via vote by mail (VBM). Residents are urged to vote using vote by mail (VBM) as Provisional Ballots are counted last and must be checked against the VBM Ballots that have already been cast before they are accepted and canvassed.

Voters with disabilities that prevent them from voting on a paper provisional ballot will have the opportunity to vote an ADA accessible ballot.

WHAT IS A PROVISIONAL BALLOT?

In every election, paper Provisional Ballots are supplied to the Poll workers. They are commonly used for situations such as a voter appearing in person but does not show up in the poll books. Such voters are given the paper Provisional Ballot and an affirmation statement that they fill out. After the election, each Provisional Ballot cast is investigated by the Board of Elections and if the voter's registration is deemed valid, or the voter did not return a ballot in the mail (thus casting a vote twice) the Provisional Ballot is accepted.

DO ALL VOTE BY MAIL BALLOTS GET COUNTED?

Ballots that are properly cast are canvassed and counted

WHAT WOULD CAUSE MY VOTE TO BE REJECTED?

1. Neglecting to sign the certification
2. Tampering with the Certificate of Election. If your certificate is detached or damaged, request a new certificate from the County Clerk

WILL I BE NOTIFIED IF MY BALLOT IS REJECTED?

YES. The Board of Elections will notify you following the Election with the reason why your ballot was not counted.
