GENERAL GUIDELINES

APPLICATION FILING PERIOD

File this claim with the municipal tax assessor from October 1 through December 31 of the pretax year, i.e., the year prior to the calendar tax year or with the municipal tax collector from January 1 through December 31 of the calendar tax year. For example, for a property tax deduction claimed for calendar tax year 2020, the pretax year filing period would be October 1 - December 31, 2019 with the assessor and the tax year filing period would be January 1 - December 31, 2020 with the collector.

ELIGIBILITY REQUIREMENTS

All requirements for deduction must be met as of October 1 of the pretax year, i.e., the year prior to the calendar tax year for which the deduction is claimed.

A. Veteran Claimant as of October 1 pretax year must:

- 1. have had active duty service in United States Armed Forces and been honorably discharged;
- 2. own the property, wholly or in part, or hold legal title to the property for which deduction is claimed;
- 3. be a legal or domiciliary resident of New Jersey.

B. Surviving Spouse/Civil Union or Domestic Partner Claimant as of October 1 pretax year must:

- 1. document that the deceased veteran or serviceperson was a resident of New Jersey at death who had active duty service in the United States Armed Forces and who was honorably discharged or who died on active duty;
- 2. not have remarried/formed a new registered civil union or domestic partnership;
- 3. be a legal or domiciliary resident of New Jersey;
- 4. own the property, wholly or in part, or hold legal title to the property for which deduction is claimed.

**NOTE - Claimants must inform the assessor of any change in status which may affect their continued entitlement to the deduction.

<u>VETERAN DEFINED</u> - means any New Jersey resident honorably discharged from active duty service in the United States Armed Forces. Current statute does not provide for deduction for military personnel still in active service who have not been discharged.

For assistance in documenting veterans' status, contact the NJ Department of Military and Veterans Affairs at (609) 530-6958 or (609) 530-6854. The United States Veterans Administration aka U.S. Department of Veterans Affairs may be contacted at 1-800-827-1000

<u>ACTIVE SERVICE DEFINED</u> – means active duty service in the United States Armed Forces. Active duty for training or field training purposes as a member of a reserve component does <u>NOT</u> constitute active duty service unless activated into Federal military service by Presidential or Congressional order.

<u>CITIZEN & RESIDENT DEFINED</u> - United States Citizenship is not required. Resident for purposes of this deduction means an individual who is legally domiciled in New Jersey. Domicile is the place you regard as your permanent home - the place you intend to return to after a period of absence. You may have only one legal domicile even though you may have more than one place of residence. Seasonal or temporary residence in this State, of whatever duration, does not constitute domicile. Absence from the State for a 12-month period is prima facie evidence of abandonment of domicile.

<u>SURVIVING SPOUSE/CIVIL UNION OR DOMESTIC PARTNER DEFINED</u> - means the lawful widow or widower/civil union or domestic partner of a qualified New Jersey resident veteran or serviceperson, who has not remarried/formed a new registered civil union or domestic partnership.

**NOTE - A surviving spouse/civil union or domestic partner though a New Jersey resident himself/herself is not entitled to deduction if the deceased veteran/serviceperson spouse/civil union or domestic partner at death was not a New Jersey resident.

DOCUMENTARY PROOFS REQUIRED

Each assessor and collector may require such proofs necessary to establish claimant's deduction entitlement and photocopies of any documents should be attached to this claim as part of the application record.

<u>MILITARY RECORDS</u> - Certificate of Honorable Discharge or Release, Form DD214, or Military Notification of Death or Certification of United States Veterans Administration aka U.S. Department of Veterans Affairs.

<u>SURVIVING SPOUSE/CIVIL UNION OR DOMESTIC PARTNER</u> - Death Certificate of decedent, marriage license/civil union or domestic partnership registration certificate.

<u>OWNERSHIP</u> - real property deed, executory contract for property purchase; or Probated Last Will and Testament if by devise (leaving real property to beneficiaries named in a will). If intestate (without a will), give names and relationships of decedent's heirs-at-law.

RESIDENCY - New Jersey driver's license or motor vehicle registration, voter's registration, N.J. resident tax return, etc.

APPEALS

A claimant may appeal any unfavorable determination by the assessor or collector to the County Board of Taxation annually on or before April 1 or on or before January 15 for residents of Burlington, Monmouth or Gloucester counties only.

**NOTE- Public Law 2019, chapter 413 became operative when New Jersey voters approved a Constitutional Amendment, effective December 4, 2020, to eliminate the wartime service requirement for both the \$250 Veteran Property Tax Deduction and the Disabled Veteran Property Tax Exemption.

- Public Law 2019, chapter 203 extends the annual \$250 property tax deduction to veterans or their surviving spouse/civil union/domestic partner who are residents of a continuing care retirement community (CCRC). A payment or a credit will be made by the CCRC to the claimant within 30 days after the CCRC receives its credited property tax bill. Some CCRCs are exempt from property taxes by law. In that case, no property tax deduction is available to the CCRC residents.
