NOTES:	
*	No quarrying shall occur within 150 feet of any property or street line.
**	Where a development contains more than one principal structure which is adjacent to an existing similar use, the lot width, side and front yard setbacks shall be determined as one integrated development and the individual structures shall not be considered to be on separate lots. However, the principal structures must be separated by a distance not less than the combined height of both structures.
***	All principal buildings having frontage on Route 22 and/or Route 202 (west of Somerville Traffic Circle) shall be set back a minimum of 200 feet from such highway. Parking with respect to these properties, shall be located no closer than one-hundred-foot setback from such highway.
(A)	Minimum area requirements for all zones may be affected by other Township codes and ordinances and articles of this chapter, such as Hillside Development Article, Stormwater and Floodplain Article and Soil Erosion and Sediment Control Article. In any residential zone, except R-50, without public water and public sewer, the area and dimensional requirements of the R-40 Zone shall be applied.
(B)	Side and rear yard requirements may be reduced to 10 feet where the side or rear yard abuts an interstate highway or railroad.
(C)	None required except that if residences abut any commercial use, the side yards required under R-10 Zone shall be maintained for all uses.
(D)	See § 126-329C for FAR bonus for decreases in improved lot coverage.
(E)	Corner lots must have one width of at least 300 feet.
(F)	Reserved.
(G)	Floor area ratio of .22 shall apply to all uses except for skilled nursing home and continuing-care facility, which shall be subject to the following regulation: The density shall not exceed 16 individual living units per acre.
(H)	Minimum front yard shall be 75 feet from East Main Street.
(I)	The driveway side yard shall have a minimum of 30 feet.
(J)	Maximum FAR for 2-4 acres of land is 0.10; 4-8 acres is 0.12; over 8 acres is 0.15.
