App.#23-023-ZB – Bridgewater Realty II LLC (Starbucks)

Block 222, Lot 6.01; 1288 & 1298 Rt. 22 & Morgan Lane

Preliminary & Final Major Site Plan, Use Variance, Bulk Variances

Summary: Proposal to build drive-thru fast food restaurant and make site modifications on former Houlihan's restaurant and hotel site in the HIC Zone. The variance relief requested is for the drive thru restaurant and for a determination as to whether a second, independent restaurant would be permitted if/when a single hotel is constructed on the property. The original approval for the site included a hotel and preschool (Goddard) and associated Houlihan's. Starbucks is relying on variances and design waivers previously granted for the Goddard application. The current lot is vacant since Goddard never constructed the preschool. The prior variances and waivers are called into question as they were approved for a different use, different building geometry, different access location and different circulation. The applicant must apply for relief on all elements of new site plan.
